Re: **Rebuilding Through Homeownership Roundtable Discussion – June 21, 2012**

Background:

On April 12, 2012 IHCD and its partners participated in a roundtable discussion regarding the March 2 tornadoes in Clark, Jefferson, Ripley, Scott, Warrick, and Washington Counties. The discussion focused on the effects of the storm, the rebuilding efforts currently underway and how various organizations can help homeowners rebuild their homes.

Rebuilding Through Homeownership Second Meeting:

IHCD will host a second roundtable discussion on June 21, 2012 with potential partners to discuss rebuilding the affected communities through homeownership with a focus on owner occupied rehabilitation. The discussion will also include a follow-up on the progress of rebuilding thus far. See below for meeting information and registration. Please note that there is limited space so we request that only two people per organization attend.
